Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Security Camera and Technology Project in fiscal year 2024. The entity to receive funding for this project is the Gloucester City Police Department, located at 313 Monmouth Street, Gloucester City, Camden County, New Jersey 08030. The funding would be used for the purchase and installation of Citywide Security Cameras, a portion of the cameras with license plate readers, 2 Blue light emergency security poles for Parks and a Mobile security trailer. As of this date Gloucester City does not have any security cameras. This project will impact the 13,000 residents of the city as well as the surrounding communities and hundreds that come to the city to work. This project will save taxpayer money by targeting and stopping illegal dumping sites that cost the city time and money. Law enforcement will be impacted by being able to add a layer of technology to assist in their public safety efforts.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Donald Norcross
Member of Congress
